MESSAGE FROM THE PRESIDENT

As summer approaches we are in the process of doing many projects.

We are nearing completion of the dining room, and have removed the old vinyl tile and have laid ceramic tile. We removed the old stage so patrons would not trip over it. The original stage was left and a fireplace was added to soften the room. A new fence surrounding the outdoor bocce courts will be installed with a new entrance to the courts. Due to the deterioration of the old roof over the bowling alleys, a new rubber roof will be installed, and the new roof will be completed by the end of summer. A mural will be painted on the north side of the building and will be completed before St. Paul's festival as well as will the fence. A 3rd smoke eater was installed above the bar. Thanks to all those who helped out on these projects.

Have a safe and enjoyable summer!

Tony
