MESSAGE FROM THE PRESIDENT

*I would like to welcome all of our
new club members to the Nuova*

Well another year has passed; the club continues to move forward with many improvements and with more to come.

We recently purchased a second lot west of the club to provide additional parking for our club members.

The men's room is now completed with a handicap accessible entrance. Our next project is remodeling the ladies room.

We recently installed a new furnace in the dining room along with central air as well as new tables.

Rory's Ristorante continues to provide good food for our members.

Two smoke eaters have been installed in the bar room and an additional one will be installed above the bar. Another smoke eater will be installed in the downstairs bocce area.

I would like to thank everyone who helped to make the children's Christmas party a success. We provided gifts for 78 smiling and happy children.

The club will once again be making donations to nonprofit organizations thru our small games of chance revenue. We will be giving away approximately \$43,000 thanks to our club members. The club will be dispersing small games of chance donations on February 15th at 1:00pm, Everyone is invited to come.

We are looking forward to another prosperous year.

Tony
