## MESSAGE FROM THE PRESIDENT

Heading into my fourth year as president, the club has come a long way with the projects that have been completed, too many to name. It has been a long time coming for the ladies room to be remodeled and this project has been started.

I would like to thank Chef Rory for the great food and the new members who have joined the club to enjoy his dinners. Our dining room, with all its improvements and good food has made it a 5 star restaurant, Erie's best kept secret.

The bocce commissioner and committee are doing a great job. Bowling is holding its own with parties and tournaments.

The children's Christmas committee once again had 67 smiling faces in the room. Santa was not too bad either. A big thank you for all that helped to make it a success.

Projects for the new year include painting to the bar room and installing camera's and lighting in our new parking lot.
